

Michael McCollough **Candidacy Statement**

Why would you like to serve on the Board of Directors?

I've lived in the Falls of Prosper for 4 years now and love the community. I've worked in finance for over 20 years and feel my experience could be beneficial in financial planning for the community.

Please list previous board position and/ or experience:

No prior HOA experience though I have worked on the property management side of accounting. I've been in accounting for 24 years and have worked in an executive roll for the past 5.

Issues regarding Prosper Falls Community you feel should be addressed in the coming year:

Common area maintenance has been an issue since I moved in. I'm not sure if it is budget constraints or something else but I would like to help find a solution.

Any prior commitments that may prevent you from actively serving on the Board of Directors?

I work a full time 8-5 job.
